"I had never thought that an online workshop could be so interactive. I loved it!"

**Catalina,  
Netherlands,  
Feb 2021**

"I have very much enjoyed the workshop! I feel I learned a lot and feel more confident in my ability to deliver the DP VA course. The workshop leader was absolutely fantastic and the set up was great."

**Liza,  
Switzerland Feb**

"One of the most impactful workshops that I've had in a long time. A really engaged group and a great course leader. The format worked well. The feedback from our staff is very positive on these courses and they are really enjoying still being able to do the intensive 3 days. In fact, some are preferring it to having to travel as it has less impact on school and life."
